WHAT'S BEEN GOING ON

Week of Prayer for Christian Unity – CiA - Caring for the Planet

The Week of Prayer started with the inter-church quiz at Long Furlong on Friday 19 Feb 2024. There were seven teams from six churches. Abingdon Baptist Church won and will be hosting the quiz next year. For more information, please see the Abingdon blog at <https://abingdonblog.co.uk/?p=31794>. A total of £104.37 was raised and this will go to the charity SeeSaw, for bereaved children.

About 70 people came along to the United Service at Our Lady and St Edmund's RC Church. The service was led by Fr Jamie and we welcomed our speakers from the John Ray initiative (JRI), Martin and Margot Hodson.

In the talk by Martin, we heard how higher temperatures are impacting on our planet affecting our weather, our oceans, our animals and plants, the main cause being carbon dioxide emissions. If these emissions are not greatly reduced, there will be even more global warming – it has already risen above projected limits. And in all of this it is the poorer countries that are hit the hardest although they are the lowest emitters.

Margot talked about our responsibility to protect the planet. As Christians we believe that God created everything – Genesis 1-2 – hence it is important that we remember that everything is connected - we are part of this connection and therefore have a role in caring for the planet. We must not forget the material world as part of God's creation.

A collection raised £90 for the continued work of the JRI.

Following on from the united service, midday prayers took place every day of the following week at St Nics Church, continuing on the theme of 'Caring for the planet'. We had speakers who talked about ways we could reduce our impact on the planet, including EcoChurch, plastics, transport, biodiversity and working with young people, who will have to deal with the consequences in the future. These talks were uploaded to the CiA website for those who could not attend. Each session was followed by Q&A and prayer, and ended with refreshments and fellowship. Around 26 – 35 people attended each day. Thanks to all those at St Nics who organised the wonderful refreshments, and to the speakers.

WHAT'S COMING UP

TrinityLearning

Experience Easter 2024: We are beginning to think about and plan for Experience Easter 2024 which will offer schools the choice to visit Trinity Church for live workshops or to take part online. Experience Easter is a series of reflective workshops that allows Key Stage 2 children (7 to 11-year-olds) to access the Easter Story in a meaningful way. It is also an introduction to mindfulness, using stilling exercises and simple activities to allow the children to consider their emotions.

There are a variety of volunteer opportunities available for Experience Easter including home-based volunteering for craft preparation as well as in-person volunteering which consists of supporting school groups and storytelling during the live workshops. If you're interested in finding out more, please email Nicola at nic.trinitylearning@gmail.com

Trustees: We are looking for a new trustee to join us. Trustees are essential to the running of TrinityLearning and work as a team to provide inclusive, strategic leadership and ensure proper governance for the charity. They meet around five times a year – both in person and online. There is lots of training and support available, so whether you are an experienced trustee, or are thinking of becoming a trustee for the first time, we would love to hear from you. We welcome applications from all ages (16+) and levels of experience. As a charity working with volunteers and young people, TrinityLearning is committed to the safety and wellbeing of all those with whom it works. All Trustees are expected to hold DBS clearance and the relevant safeguarding training, which TrinityLearning can provide. A keen interest in children and enthusiasm for promoting their needs is essential. If you would like an informal chat about this voluntary role, please email Nicola on nic.trinitylearning@gmail.com.

Crafty volunteers: We are looking for crocheters and knitters to help make tiny toys for several of our packs, including tiny teddies for our TrinityLearning Bereavement Packs and our new Family Change pack. All materials supplied so if you have crocheting or knitting skills and would like to help, please email Nicola at nic.trinitylearning@gmail.com.

Care for creation course

An online course over six sessions for anyone interested in understanding more about the theology and science of caring for creation, and practical ideas about how to take action, both as individuals and as churches, will take place from 30 January 2024. It is free to attend and will be led by the Diocese of Oxford's Environment Programme Manager, Hannah Mann, in partnership with Winchester Diocese. Contact Hannah Mann (hannah.mann@oxford.anglican.org) for more info and to sign up.
